

Mixtape Sessions and CUNEF Universidad present **CODECHELLA MADRID**

Dates: May 27th–30th, 2024

Times: 9am–5pm (GMT+1) with a 1.5 hour lunch break

Location: Auditorium at CUNEF Universidad

Join Scott Cunningham and a select group of other instructors in Madrid this spring for an in-person workshop experience! From May 27th–30th, CUNEF Universidad and Mixtape Sessions are teaming up to host an engaging and interactive workshop. This workshop will dive deep into the intricacies of difference-in-differences and synthetic control estimators, with a strong focus on practical tips and hands-on coding implementations. Whether you're a seasoned data analyst or just starting out, this event promises to equip you with valuable knowledge and skills. Don't miss out on this exciting opportunity to enhance your understanding and application of these advanced statistical methods. Register now to secure your spot at this not-to-be-missed workshop in the vibrant city of Madrid!
